

VOLUME 19—No. 34

Recent Operations

By Paul Rand

My sincere thanks to Mrs. Laura Chastain and Mrs. Julia Banett for a splendid job of beautifying the plot in front of the "Service Men's Honor Roll" in Pahokee.

Another Christmas season is at hand. I've been making the rounds this week to see what our local merchants have to offer. I have found many nice gift articles in one or two of the stores. In others I have found very little that leads me to believe it is the Christmas season. Some of the merchants are that merchandise is hard to buy. I know it's hard to get, but how else some get it and others don't?

The usual Christmas decorations are conspicuous by their absence. It takes a little time and a few cents worth of colored paper to put up these decorations. I don't think money will be wasted.

Then another thing I haven't been swayed by this week for Christmas advertising this year. Maybe the merchants think they are well enough known that they don't need to advertise. Well, it reminds me of that lady who said 20 years ago—Pearline Scott. The story goes that she was put on a big advertising campaign and built up sales like the likes of which were never known before. Then the president of the company decided to save all that money by not spending for advertising. They saved the money all right. But the sale of Pearline Scott died almost overnight. And they never began to revive the old story. To sell ten you've gotta tell 'em.

Christmas merchandise advertising must be all right. It must bring results. If it doesn't, it's a couple of stores in West Palm Beach and a couple of stores in Pahokee. I'm throwing away a lot of money. And some of them are inclined to believe that. I've seen a lot of cars with a sticker on them reading "Toward West Palm Beach during Christmas week. I've seen some of those cars returned—stacked full of what I'm inclined to believe might be Christmas merchandise.

B. J. Baggett, secretary of the Citizens Service Corps, says that all Masons who buy war savings bonds, inform him in order that the amounts may be turned in to the Grand Lodge. The Grand Lodge is being made by the lodge and will continue until Dec. 31. Mr. Baggett, announced that the Grand Lodge of the Masonic Fraternity are now members of the armed forces.

Claude Santer, chairman of the Pahokee-Canal Point War Rationing Board, wishes to thank the many volunteers who have assisted the rationing board. "They've been great," Mr. Santer said. He went on to say that it would have been impossible to turn out the work without the assistance of these volunteer workers.

There will be no more kerene applications at the Pahokee ration board until next week, it has been announced.

A reader hands in this one, clipped from a paper up the country somewhere. The strip tells of a folk dance performed by a young lady who is allergic to clothes. The dress she wears has holes and under garments, one by one, with the difference between seeing and believing is purely hypothetical.

B. G. School Is Fully Accredited

Council Superintendent John I. Baggett announced last Friday that the high school in Pahokee is fully accredited by the State Board of Education. Frank O. Hobson is principal of the school.

Teen Age Groups To Start Registering Today For Service

By Paul Rand

Teen age groups will start registering today for service in the armed forces today. This is the sixth registration since the inception of Selective Service and will continue for various groups for three successive weeks.

Those who were born on or after July 1, 1924, shall be registered on any day during the week commencing Friday, Dec. 11, 1942, and ending Thursday, Dec. 17, 1942.

Those who were born on or after Sept. 1, 1924, but not after Oct. 31, 1924, shall be registered on any day during the week commencing Friday, Dec. 18, 1942, and ending Thursday, Dec. 24, 1942.

Those who were born on or after Nov. 1, 1924, but not after Dec. 31, 1924, shall be registered on any day during the week commencing Friday, Dec. 25, 1942, and ending Thursday, Dec. 31, 1942.

Thereafter, for the duration of the war, the registration shall be held on or after Jan. 1, 1925, shall be registered on the day they attain the 18th anniversary of the day of their birth, provided that if such anniversary falls on a Sunday or a legal holiday their registration shall take place on the day following that is not a Sunday or a legal holiday.

Fourmy Heads Citizens Corps

Under Mr. Fourmy are the following divisions: Salvage Division, War Stamp and Bond Division, Family Service, Child Care Service, Health and Welfare Service, Nutrition Service, Consumers Interest, Division, Housing Programs, Recreation and Youth Group Services, School and Public Library, Information Services, Identification Service, Block Leaders Division and other non action activities.

This is to request that henceforth the heads and leaders of the above divisions and services report and work under Mr. Fourmy in his capacity as director of the Citizens Service Corps and a like organization in every community in the country.

Farmers Get Lots of Cash

Farmers in the Lake Region may have their worries about the labor shortage but they certainly are cleaning up on their offerings of produce shipped to northern markets.

The first lima beans of the season moved during the past week at a price of \$5.50 per bushel. Another lot sold for \$5.00 and still another for \$5.00. These lima beans were grown by Simonson and Hutton.

The first celery of the season moved the first of the week from the B. G. School in Pahokee. The celery was sold at auction at the State Market platform and brought \$5.00 per crate. The plant of the cooperative was for the Everglades Growers Cooperative, acted as auctioneer at the celery sale and most have done an excellent job to get \$5.00 per crate for the luscious weed.

He's Human! This Governor of Ours

Bartow, Dec. 10.—(PNS)—Just before leaving on Ray Carroll's famous hunting trip which is arriving annually for state and other dignitaries, Governor Spessard L. Holland paid a brief visit to his home town of Bartow. After completing the business which brought him an "A" automobile ride. As he was about to get into the car, he was met by a group of his subjects. "Let's drive past 'em," he said. "Then he was taken to be driven past Mrs. Mary Swearington's home which usually is surrounded by blooming flowers at this time of the year. Before the trip was finished, the governor had been driven to every home in Bartow with jessie's bushes, anise or rose. "That's what a Chief Executive—at least the present one—does in his idle hours."

Mission Council Group Will Assist Migrant Workers

Meeting Held and Officers Named To Carry On The Work

Representatives of the various churches in the Glades area met in Pahokee last Thursday afternoon to discuss the formation of a Mission Council of North America, to organize a committee to give physical and spiritual aid to migrant workers, both white and colored, in the Glades.

Refreshments during the social hour which followed the business and program were served in the cafeteria by members of the high school faculty with Mrs. J. H. Hobson, chairman, in charge. Named on the refreshment committee for January were Mrs. C. E. Vaughan, chairman, Mrs. D. E. Smith, Mrs. G. M. Bell, Mrs. A. E. Morgan, Mrs. V. L. Geiger, Mrs. A. M. Moore, Mrs. Sam McKinstry, Mrs. R. East Smith and Mrs. R. J. Schroder.

Women Assist Rationing Board

In response to Chairman Claude Santer's urgent appeal for volunteer workers, members of the Pahokee Women's Club at their regular meeting Monday night voted to assist with their social program and went in a body to the office of Rationing Board No. 67, located at the post office building, to assist in the rationing of kerosene and oil.

At the brief business session, Mrs. Sadie Barwick, chairman of the club, reported that payments on the clubhouse had been brought up to date and the committee planned to continue the club drive until the entire remaining indebtedness on the clubhouse has been liquidated.

Devils Win Final Game of Season

The curtain was rung down on football in the Lake Okechobee Region last Friday afternoon when the Pahokee Blue Devils defeated the Belle Glade Gladiators by a score of 28 to 7 on the Belle Glade gridiron. The game was originally scheduled for Laird Field in Pahokee but was changed to the stadium at Belle Glade because of darkness. Laird Field is a small crowd was in attendance to see the final game of the season. The game was officiated by the crowd was accounted for by Belle Glade officials by the fact that it was an afternoon game.

Tag Offices Are Open In Glades

Mrs. B. Elliott, Glades agent for Stetson O. Sprad, was opened offices in Belle Glade and Pahokee for the sale of 1943 car license tags. The office in the city hall in Belle Glade will be open on Mondays, Tuesdays and Wednesdays while the office in B. Elliott's garage in Pahokee will be open on Thursdays, Fridays and Saturdays.

Elementary Night Was Observed By Pahokee PTA

Chorus of 30 Children Sang Special Songs For Members

Elementary school night was observed at the meeting of the Pahokee Parent-Teacher Association Monday night with a program on "Spiritual Values, the Essence of Home Defense," presented by Mrs. R. S. Douthett. The parts played by the home, the school and the church in the development of spiritual values in the child were stressed in talks by Mrs. S. B. Jordan, Mrs. L. L. Shirley and Rev. T. A. Ferguson.

More than 20 children from the fifth and sixth grades under the direction of Robert O. Lampl, school music director, sang several of the hand singing and Christmas hymns.

D. E. A. Jensen, representing the U. S. A. P. P. T. membership of the school, announced that the PTA now had 119 members whose fees were paid in full. Mrs. Jess M. Elliott, president, reported the need of volunteer workers at the Red Cross sewing room in the city hall and C. T. Santer, chairman of the local Rationing Board, urged an urgent appeal for more volunteers to be taken up when it is needed by the mills. The fact that it is still where it was piled during the drive doesn't mean it isn't needed in the war effort.

Loose talk about gasoline rationing is unpatriotic. It is urged that no lights be used on outside electrical signs or electrical displays of any kind.

The council also says that scrap, which was gathered during the drive, will be taken up when it is needed by the mills. The fact that it is still where it was piled during the drive doesn't mean it isn't needed in the war effort.

Saving One Bite Of Meat Daily Means Much To Our Nation

Leaders Say It Isn't Much To Ask Of Americans

To give up about one bite of meat a day is what residents of Pahokee-Canal Point are being asked to do in the campaign of the State Defense Council's Share-the-Meat campaign in Florida. It was explained today by Mrs. John D. Douthett, chairman of the Pahokee-Canal Point County Defense Council.

The per capita reduction of "one bite a day" was arrived at by statisticians who measured the available supply of meat for civilian use against normal consumption. On a daily basis, this is a reduction of only four-sevenths of an ounce, or about one-quarter of a pound.

Neither the taste nor the variety nor the nutritive value of home menus will be adversely affected by this small sacrifice. The reduction is not more than the limit of two and a half pounds of meat a week per person. If good use is made of the larger amount of alternate foods, such as poultry and fish, now available in Florida.

Meat is simple, Mrs. Douthett said. The amounts of meat must be supplied to the military forces and our allies. Our civilian consumption must be held to the amount available. These needs are met," she declared.

"The government is, therefore, calling on voluntary reductions by those whose meat consumption has been greater than two and a half pounds a week.

Ration Book No. 1 Deadline Dec. 15

The State office of Price Administration announced here yesterday that December 15 is the deadline for obtaining War Ration Book No. 1, necessary for buying sugar and coffee.

This book is absolutely necessary for buying coffee, and unless individuals obtain it by December 15 they will be unable to get more before the next War Ration Book is issued.

NO OUTSIDE LIGHTS TO BE USED THIS CHRISTMAS

The defense council announces that the army forces the signal of outside electrical displays on Christmas. It is urged that no lights be used on outside electrical signs or electrical displays of any kind.

The council also says that scrap, which was gathered during the drive, will be taken up when it is needed by the mills. The fact that it is still where it was piled during the drive doesn't mean it isn't needed in the war effort.

Loose talk about gasoline rationing is unpatriotic. It is urged that no lights be used on outside electrical signs or electrical displays of any kind.

All volunteer workers of the council who have put in 500 or 1,000 hours will be awarded an emblem for their labors.

Beautification Is Completed On New Service Mens Roll

Mrs. Laura Chastain and Mrs. Julia Banett Complete the Work

Ration Board Has New Hours

Starting December 15th the War Price and Rationing Board will be closed each Tuesday and Thursday all day except in special cases. The board will be open on Mondays, Wednesdays, Fridays and Saturdays. The board will be open on Mondays, Wednesdays, Fridays and Saturdays. The board will be open on Mondays, Wednesdays, Fridays and Saturdays.

When applying to board for new ration books, a reminder—when coming to the board for gasoline ration books please bring registration cards.

Monday will be the last day for sugar registration.

Identification Tags Available

Identification tags are now available to persons in the Pahokee-Canal Point area at a cost of five cents each, according to Rev. C. A. Moberg, chairman of the Board of Identification tags for the local Defense Council. The tags may be obtained by school children and adults at the Defense Council office in the city hall.

Rev. Frank Alvarez, pastor of the Church of the Holy Nativity, was the guest speaker at the Pahokee Rotary Club yesterday afternoon. He was introduced by B. Elliott, chairman of the Boys' War Committee of the club. Rev. Alvarez delivered an interesting address on this phase of Rotary work which was warmly received by the members.

Moberg Heads Council Group

Rev. C. A. Moberg has accepted the appointment of chairman, Civilian Identification, under the auspices of the State Defense Council.

This is a most worthy project, entitling all citizens, regardless of age, to register. The schools, under the direction of their principals, serving as official registrars, will start the program of registering the students immediately.

Everyone is cordially invited to take advantage of this long felt need. Those desiring additional information may receive same by contacting the Mr. DeMoya, Mrs. Vaughn or the chairman.

COLORFUL LANGUAGE

In its review of the language scene, "American Speech" recently paused to examine expressions which belong to the truck driver. Here are examples: "A truck that does not leak oil, grease or water, is house broken. A refrigerator truck is an ice wagon; an antiquated truck is a dog-wagon. A nitroglycerin truck is a boom wagon, and the driver is a suicide monkey. Police are simply the man. A truck that uses too much gas is said to be working for Standard Oil, while one with a noisy engine or broken muffler is a cement mixer. A poultry truck is a cackle wagon; a sugar truck is a candy wagon. If there is no glass in the cab, it is a pneumonia sedan; a sleeper bus is a pajama wagon. When a driver goes through a vehicular tunnel, that's a ride in the cellar; when he coasts to a parking place, he beaches his truck. A truck is to stack it up; and a driver who persists in riding with the window when in cold weather is training to be an Eskimo."—Collier County News.

BIBLE IN THE WAR

Extraordinary calls for copies of the Bible or selected portions of the Scriptures came with the rise and spread of the war. Millions of men feel the need of the Bible; millions of them carry it with them; in camps, prisons and hospitals they treasure and read the Scriptures. In this era, when primal passions are loosed upon the world and every man in the war approaches the brink of the vast unknown, fundamental things come into action.

Our men in the armed services face the verities. There is no formal or static faith.

In times of trouble men throw away the

trash and keep the real treasures. Certainly any help to the fundamental comfort of the Bible into the hands of men sent out to strive and possibly to die for their country is service of a high order. They are reaching out for the Bible.—Tulsa (Okla.) Daily World.

WAR BOND ADS

The advertising profession is to go all out for the sale of war bonds and stamps. For which three cheers and a tiger. Punchlines, slogans, and the technique of big advertising are needed. Make the American public half-conscious of the need of war bonds as it is of the importance of vitamins, tooth pastes, and hair tonics, and Uncle Sam's financial worries are over.

We herewith offer a few general suggestions for advertising war bonds:

THREE IMPORTANT THEMES: D. V. AND P.—(Democracy, Victory, Freedom). Contained only in U. S. War bonds. Buy them now and keep that peppy, zealous feeling!

HAVE YOU DRY SCALP?—What of it? Buy U. S. War bonds or you won't even have a cranium.

"OF THESE WE SING"—Okay, but now is the time to subscribe not vocalize! "The singing can wait. The war can't. Buy those bonds today!"

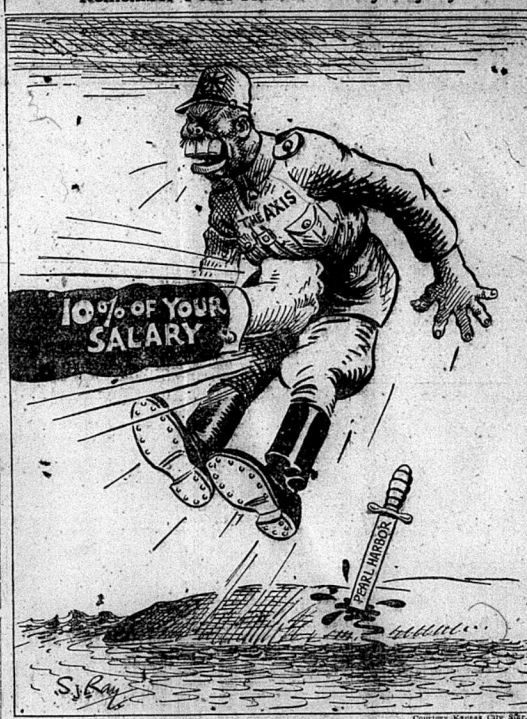

UNCLE SAM CAN'T CASH A CHECK—Put that hip-hip-hooray stuff into your fountain pen and sign a pledge to buy war bonds now. (Ask the man who owns one).

TAKING YOUR HAT OFF TO THE FLAG IS NOT ENOUGH!—Your duty today is to take the elastic off the bankroll! With better investments are made, Americans will make them!

MACARONI AND FEATHERS—They were okay when Yankee Doodle came to town ariding on a pony. But today he needs spinach and cooperation. Fighting men out there in China should display the same.

WHAT PRICE ROCKS AND RILLS?—If you love 'em, invest in 'em! They're cheap at any price. And that goes too, for woods and temple hills. Buy United States Government Bonds in minimums! Crackly and crisp!—H. I. Phillips in New York Sun.

Remember Pearl Harbor—Every Payday

have to take the chance and see it for yourself.

On that Friday schedule I'll go for "Just Off Broadway." I say this because it has recognized stars and the story is crammed with action, which assures me it will meet an appreciative response when screened.

The stars in "Just Off Broadway" are Lloyd Nolan, Marjorie Weaver and Phil Silvers, and the story will click with any type audience. It is an exciting display of thriller, and with Lloyd Nolan in the lead there is very little more need be said.

For lovers of "burly" stories may get something out of "The Loves of Edgar Allan Poe," which stars Linda Darnall and John Sheppard and features a boy of lovely women such as Virginia Gilmore, Mary Howard and many others. The story is beautiful, acting superb and direction flawless. Some will call it a weak affair, some will say it is good—for me I pass my judgment after I have sat it out.

Well, you rough riders of the "bicycle branches" there is really a Western opus for you this coming Saturday. Mount your sturdy two-wheelers and pound leather in the Prince for heretofore some of your favorite out-door stars, Johnny Mack Brown and you'll see him "Deep in the Heart of Texas."

Pauline is an amateur gem in her serial—and we hope she comes out of it. And the shorts are okay. Are you buying an interest in your Government with War Stamps and Bonds? Why not? See you at the movies—Mal.

Communication

December 1, 1942

Dear Paul: I thought I would drop you a line and let you know where I am and what I am doing.

After spending one month at Cornell University I was transferred to Harvard University. Have been here two months and have two months to go. I have been in the school of communications after finishing the first month which was induction.

My commission as Ensign dates back to July. I will be here about seven more weeks. Where I will be sent nobody knows.

I guess you read about the fire they had in Boston. It was really a horrible affair. However, we were very fortunate. We did not lose but one man from this company.

I suppose a lot of people in the Glades are wondering if I survived it or not. I am sending you a copy of a letter I recently wrote to the commanding officer today, and if you like you may publish it.

Well, for this time, it is time to go to class. I only have classes from eight in the morning until nine at night.

Sincerely yours,
Carl Thompson.

Unusually Big Haul of Mullet

L. M. Lilly, manager of the A. G. Dunbar Fisheries, reported yesterday that Albert Lecker, operating one of the company's rigs, made a haul of more than eight thousand pounds of fish, including this week in Lake Okechobee and included was 4700 pounds of mullet, the largest haul of this salt water species ever brought in to the local fish dealer.

Stories are told by old-timers of a haul of mullet once from the lake of 11,000 pounds but Mr. Lilly stated that the largest haul he had ever seen was about 4000 pounds. Apparently the fish were in the school of the mullet and the crew said they had a merry time making the haul.

Salts fish were included with the mullet brought in to make a total of 7200 pounds delivered Wednesday and approximately 1000 pounds of catfish were left on the lake to be skinned before delivery.

Delaney has fallen far behind neighboring towns in their quotas to date and it is felt the ladies of our community who have some knowledge of sewing should make a special effort to assist in some manner in this much needed work.

Contest Between Sunday Schools

Beginning Sunday, the Methodist and Baptist Sunday schools of Pahokee, will engage in an endurance contest to last for six weeks. Superintendent Schroeder recently to the town of a booklet invitation to the public at large to attend the Sunday school of their choice. Both schools commenced on 8:45, however, in order to be counted for the contest a period of thirty minutes grace will be allowed. All entering after 10:15 will not be counted.

Rev. C. A. Moberg, pastor of the First Baptist Church, Pahokee, will return to his pulpit on Sunday after an absence of two weeks, having concluded one of the most successful revival campaigns yet conducted in Indian River. At the moving hour of 11 the pastor will preach on "The Good Samaritan." At the evening hour of 7:45, the subject will be "John and Abel"—special music.

Friends of M. O. McRae in this area will be interested to know that he is now a member of Uncle Sam's air corps. He joined a few weeks ago, and is stationed in Chicago. He visited his parents, Mr. and Mrs. D. C. McRae in Canal Point in September.

TOO LATE TO CLASSIFY

By Russell Ray

It is an enterprise or effort to do the thing right, agree that a negative, defensive attitude will never win a war. That's why today we are taking the offensive against great odds as rapidly as we can.

What has been accomplished from a military and war production standpoint in one short year is little short of a miracle. American labor and American industry have covered, far surpassed, and given the lie to the competition of our enemies that a Democracy is incapable of such accomplishment.

Reviewing our first year of war it appears that the only place we have fallen down is in our inability to produce. No one knows how many man hours of farm labor have been wasted by the farmer who has needed a replacement in line for application blanks or ration coupons or struggle with untidy and impossible questions, some of which take a day to fill out, to say nothing of many additional hours required to produce. No one knows how many hours of farm labor have been wasted by the farmer who has needed a replacement in line for application blanks or ration coupons or struggle with untidy and impossible questions, some of which take a day to fill out, to say nothing of many additional hours required to produce.

In a generous regulation intended to "save the farmer's labor" the government has permitted him to pay higher wages to his help. In fact, he can pay a farm hand as much as \$2.00 a day without fear of going to jail. This

is supposed to permit him to compete with wages paid in industry. It is an exciting display of not-thinking—things through—so typical of the bureaucratic ruling machine. It fails to explain to the farmer where he is going to get the money to pay such increased wages. God knows the average farmer is not a hard enough time as it is, finding money enough to make ends meet and carry on the increased production program demanded of him.

But he should not complain. It has all been worked out for him. For one 18 men my judgment after I have sat it out.

What The Movies Have To Offer During The Coming Week

Opening at the Prince Theatre for a Sunday Matinee run is a picture that more people have asked me about than any one we have played in some time. That picture is "Pardon My Strangeness," a picture of the two funniest comedians on the screen today, Abbott and Costello.

The boys have turned out real rough ready to take the best of the screen is rated as the best of their hits. This new vehicle takes the boys half way to the globe in a combination chase, treasure hunt and an encounter with a tribe of south sea dancing beauties. Never in the history of the Prince Theatre will there be more laughs of the down-dressing kind, recorded than those that will be heard when these two

aces of humbug make their bow on our screen. The cast includes Virginia Bruce, Richard Paige, Lark Lincoln, Tip Top and two dancers. The "Singing Dancers" and the "Four Lads" of radio, stage and juke box fame.

PAHOKEE HIGH SCHOOL NEWS

EDITED BY MISS LOUISE SIMS

SENIOR NEWS

The next members of the Senior Class to be presented is Reed Collins. He was born in Nashville, Tennessee and has resided in Florida for the past ten years.

While attending Reed, he attended the fact that hockey and basketball were his favorite sports. Also, after being one of the star players for Pahokee High, he emphasized that foot ball was his one and only sport.

Considering the fact that Reed's ambition is to become an aeronautical engineer, his most interesting studies are mathematics and physics.

Reed delights in eating delicious chocolate ice cream cones and devil food cake.

Coming from the strawberry section of Florida, we have a strawberry blonde, better known as Hilda Hull.

She came from Plant City, Florida, where she attended school for

four years. Hilda has been residing in Pahokee ever since, and is now a member of the senior class.

It seems that like all other high school members, her one and only sport is football. She also plays in a little skating.

Hilda is planning to go to college after graduating from Pahokee High School and is therefore interested most in literature. She is now a welcome member of the Pan-American Club.

Like most people her favorite food is chocolate ice cream.

BAND

It is hard to realize the progress the band has made since it was organized three years ago by Mr. Robert Lampi.

The present membership is about forty. Four honorable seniors will be lost at the end of this school term. Simmons Wilkinson's leadership as the drum major and cornet player has helped to

build up the band. Jimmy Shirley plays the 1st alto saxophone. Both of these boys play in the jazz band that is being organized. Tyler Jackson plays the 1st alto saxophone and Betty Spear plays the 2nd clarinet.

The band has been practicing playing and marching since the beginning of school for the football season.

We are very proud of our band and give most of its success to the director, Mr. Robert Lampi. You are complimented Mr. Lampi, on your fine leadership.

The students of Pahokee High realize that much of its success is because of the director, Mr. Lampi.

Soldiers Visit Folks at Home

Several of the fellows from the Pahokee and Canal Point areas who are serving in the armed forces, were visitors in this section this week. Each of the boys reports that he likes his job with Uncle Sam and all look exceptionally well.

First Lieut. Earl "Spider" Lind-

one arrived the first of the week to spend a ten day furlough with his folks. "Spider" is located at Camp Butler, N. C.

Ralph Maxwell returned to his station in Louisiana on Saturday after spending several days with relatives.

Red Doman of Canal Point, who is stationed in Oklahoma, was a visitor here with friends and relatives.

Benjamin "Pete" Bardin spent a ten day furlough in Canal Point with his parents, Mr. and Mrs. B. B. Bardin.

Mrs. Ora Powell was in Miami Tuesday where she attended graduation ceremonies at which Ed Thompson, her brother, received his second lieutenant's commission. Ed has been at the officers' candidate school on Miami Beach for several weeks.

SPECIALS ON STEWARDSHIP

Pastor S. B. Jordan of the Canal Point Baptist Church is bringing a series of special messages each Sunday morning in December on the vital subject of Stewardship.

December 13th the subject is "Stewardship of the Gospel." On the 20th it will be "Stewardship of Mary," a Christmas sermon. On the 27th the message is on the "Stewardship of Time."

Each Sunday morning, and on Wednesday evenings at 7:00 and 8:00, the church will be open for the Stewardship work at 7:00 and evening preaching at 8:00.

Communication

You know when I left home I did not know what I was going into to here is what it is.

I am in the Big Engineer unit training center, Engineer Officer Reserve Pool.

We begin tomorrow on a four week course of tactical schooling. Among the subjects are rifle and machine gun firing, hand grenade, communication, maps reading, and all other combat engineer activities.

After this we are assigned to all respective posts. Tomorrow we will begin our uniforms for fatigue dress for four weeks and cease to be officers and become "Misters."

Our commanding officer is a second lieutenant, and among the "Misters" is one Lieut. Colonel. One Major and several Captains.

We live four to the tent, but are so busy they do not waste time on it.

The average age of the class is over 40, all engineers, contractors, railroad men and petroleum engineers.

My tent mates are two petroleum engineers and a road contractor.

There is even one lawyer who is an independent oil producer.

The Lieut. Colonel is a railroad division superintendent, a mere youth of about 35. I have met three contractors, one soldier of the old army with 16 years continuous service, and many E. K. men.

Turnbull Florida State Road Dept. Asst. Division Engineer, has been here two weeks. Fred Stafford, equity engineer of M. J. M. Co., came yesterday, who knows who will be next.

The war news is very encouraging tonight, the best I have heard since Midway. I will be unable to see many friends that live around here so I will not let them know I am here. We school every night except Sunday.

When the course is finished I may go to see my friends in the next few days over the week end.

Yours very truly,

John R. Packett

Compare This!

Mrs. Velva Elliott, working under the direction of County Tax Collector Stinson O. Sprad, is in Belle Glade on Monday, Tuesday, and Wednesday and in Pahokee Thursday, Friday and Saturday at the tag office.

On Wednesday of this week she sold \$1100 worth of tags in Belle Glade.

Up until noon Thursday she had sold two automobile tags in Pahokee.

Maybe the folks in the Pahokee-Canal Point area will enjoy standing in line at the last minute.

Fleet owners, with 10 or more vehicles, may leave their necessary papers and a check with Mrs. Elliott and pick up the tags later.

OFFICERS KILLED

The Intermediate Class of the Pahokee Methodist Sunday school elected the following new officers at a meeting in the church Sunday: Ora Humphries, president; Joy Padgett, secretary and Helen Henry, treasurer.

HEARS OF SISTER'S DEATH

Lloyd Hundley of Pahokee received word this week of the death of his older sister, Mrs. Clyde Campbell in Kansas. It was impossible on account of transportation for Mr. Hundley to attend the funeral.

PATRONIZE THE ADVERTISERS

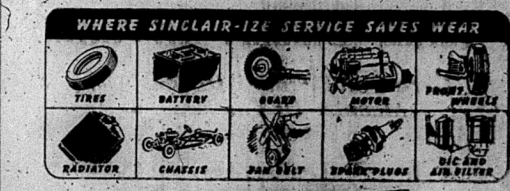

NO NEED to get upset, Miss, but it's a fact that when your present car gives out you'll have to walk.

So here's a tip. You can help postpone that day by letting a Sinclair Dealer prolong the life of your car. To do this job, Sinclair Dealers have developed a special Sinclair-lze service that makes cars last longer.

Just as American railroads, airlines and the U. S. Army use Sinclair lubricants to save wear on vital transportation equipment, so can Sinclair Dealers use specialized Sinclair lubricants to save wear on your car.

Ask a nearby Sinclair Dealer about this special service today. You'll find that Sinclair-lze service can save you money and worry, too.

THE OLD JUDGE SAYS...

"Judge, there's been quite a bit of talk going around about prohibiting liquor in various spots around the country... around the Army camps for one thing. What do you make of it?"

"Well, Henry, I size it up about like this. It looks to me like the folks who are doing the talking are shooting a little bit higher than most people seem to realize. Sort of like the salesman who gets his foot in the door and before you know it he's sold you

a bill of goods. Wouldn't surprise me a bit. If what they're really aiming for is to stop the whole country again. We all know it didn't work the last time. All we got was bootleg liquor instead of legal liquor... plus racketeers, gangsters and the worst crime wave the country ever saw.

"Seems to me we've all got our hands full to win this war without starting up an argument we just got through settling a few years back."
